GENERAL INFORMATION

Türkiye Klinikleri Journal of Case Reports is a scientific journal that aims to reach all national and international medical societies and staffs that publishing case reports related with all topics of medicine.

The journal stipulates freedom from commercial influences and superlative ethical and scientific standards in published articles.

Neither the Editor(s) nor the publisher guarantees, warrants or endorses about particularities of any product or service advertised in this publication.

Articles are accepted for publication that are original, are not under consideration another journal, or have not been previously published. Direct quotations, tables, or illustrations that have appeared in copyrighted material must be accompanied by written permission for their use from the copyright owner and authors. Presentations at scientific meetings are accepted if this condition is declared.

If the submitted article's form is appropriate, it is sent to the editor and at least two local and foreign reviewers for evaluation. The author is asked to revise the article -if it is required- and the article is published.

The writers' names and placement that were indicated in the copyright transfer form are considered after the processing of the manuscript. After this stage;

- A writer name cannot be added or deleted in any time except the writers approval who signed the copyright transfer form, and the order of the writers' names cannot be changed.

EDITORIAL POLICIES**SCIENTIFIC RESPONSIBILITY**

All authors should have contributed to the article directly either academically or scientifically.

All persons designated as authors should meet all of the following criterias:

- Planned or performed the study,
- Wrote the paper or reviewed the versions,
- Approved the final version.

It is the authors' responsibility to prepare a manuscript that meets scientific criterias.

ETHICAL RESPONSIBILITY

- The Journal adheres to the principles set forth in the Helsinki Declaration (<http://www.wma.net/en/30publications/10policies/b3/index.html>) in all reported researches involving "Human beings" conducted in accordance with such principles. Reports describing data obtained from researches conducted in human participants must contain a statement in the CASE REPORT section indicating approval by the institutional ethical review board.

Case reports should be accompanied by INFORMED CONSENT whether the identity of the patient is disclosed or not.

- If the proposed publication concerns any commercial product, the author must include in the cover letter a statement indicating that the author(s) has (have) no financial or other interest in the product or explaining the nature of any re-

lation (including consultancies) between the author(s) and the manufacturer or distributor of the product.

- If "Ethics Committee Approval" is necessary for case report, document obtained from ethics committee should be sent to "Online Article Processing" link on www.turkiyeklinikleri.com.
- It is the authors' responsibility to prepare a manuscript that meets ethical criteria.

During the evaluation of the manuscript, the research data and/or ethics committee approval form may be requested from the authors if it's required by the editorial board.

LANGUAGE

The official languages of the Journal are English.

Manuscripts and abstracts in English must be checked for language by an expert and this approval should be mentioned particularly in the cover letter. The expert responsible for English Language editing should be named in the ACKNOWLEDGEMENTS if he/she is not in the author list.

All spelling and grammar mistakes in the submitted articles, are corrected by our redaction committee without changing the data presented.

- It is the authors' responsibility to prepare a manuscript that meets spelling and grammar rules.

COPYRIGHT STATEMENT

In accordance with the Copyright Act of 1976, the publisher owns all copyrights of published articles. Responsibilities of statements and opinions expressed in the published material herein belong to their author(s). Manuscript writers are not paid by any means for their manuscripts.

All submitted manuscripts must be accompanied by the "Copyright Transfer and Author Declaration Statement form" that can be downloaded from www.turkiyeklinikleri.com/journalcopyright.pdf and this form must be sent with the article by clicking "Online Article Processing" link in www.turkiyeklinikleri.com.
